

K 311

PERFORMANCE EAR BUDS

AKG[®]
by HARMAN

HIGHLIGHTS

- IMPROVED BASS RESPONSE
- BEST FOR PORTABLE DVD, CD AND MP3 PLAYERS
- iPhone-COMPATIBLE
- COMFORTABLE FIT
- LIGHTWEIGHT

POWERFUL BASS PERFORMANCE.

Realistic music reproduction demands clean, undistorted bass response. The AKG® K 311 headphones perform brilliantly, at any listening level. With a virtually weightless, semi-open design in two new colours, K 311s continue the AKG professional tradition with ear buds you can take with you anywhere.
